*(Continued on back of brochure.)*

Hi-Pockets said here is a tractor that has yet to be over loaded for them - AC 7080.

John Deere 6000 – efficient chemical saving machine – put the right amount on your crop.

Speedy Spreader & a nice Kodiak truck – this maybe the one that will fit your budget, it's nice.

G & G bought this tractor off our sale in Vance County in the '80's – a powerful herd of horsepower.

Hazelwood, dual tandems, helps you take that good product to market.

Very seldom do you get a chance at drop decks of this quality.

Head slinger, fence climber – they are all like they just had a shot of novacaine when you put them in this chute.

### AUCTIONEER'S NOTE

**G & G Farms & Farm Supply** was started in the late '60's by Frank Gill & Lawrence Ray (HiPockets) Greene. They have farmed & ran a fertilizer & farm supply business. Now they have decided to retire & here is their equipment inventory. This equipment has been serviced to do the work it was designed for. This equipment is still good & has many more years of good use for other farmers. Be Here Sale Day – we welcome everyone.
