**SALE DAY PAGER**  
**252-407-4228**

C & M is better than good.

Powell box barns make curing tobacco everyday a bonus day.

Rain Reels have a field so wet a bird can't fly across it.

If your cattle are skinny as a rail, this diesel truck w/a trip hopper feeder will change that.

Want all your windrows rolled just right – use this NH 258.

## HI-CYCLE, TRACTORS, LOADER, GRADER, COMBINE, TRUCKS

'97 **John Deere 6500** hi-cycle, SN-6716, 4-cyl. diesel, hydrostatic, shock absorber front wheel, plumbed for toppers, set for 8-row, has extension for 12-row, foam markers, black poly tank, Rite Control system, 587 hrs., sprayed only tobacco, owner/operator.

The choice is simple - JD 6500 w/only 587 hrs - you can call it a demo.

Out on a limb & need to go up or down - 5000# Komatsu can do the job.

1 of the 2 box barns off site @ 4915 Blakeshire Rd.

It may look like an antique - this 3300 can still harvest \$14.00 beans.

**AUCTIONEER'S NOTE**

**The Blakes** are having a complete dispersal of their tobacco operation so they can devote more time to their body shop & stocker operation. Be here sale day to purchase well maintained equipment.

For further information call Michael Blake @ 336-697-9319, 336-697-0228 or 336-362-1705.

IH 656 - the closest to a sure thing.

Cat generator takes uncertain times out of a power failure.

When your job is on the line, follow a leader - Galion 503.

Is your present loader as full of wind as a bull in a corn patch - carry this 555A home.

PJ 32' - take the loads anywhere the roads will lead you.
